July 3, 2021

Dear Grace Community:

Christmas Eve 1999 was a very special day for our congregation as we moved into our building. At that time we had a large mortgage on the property, but God has been generous towards us as we worked through many years of paying down the debt. Through God's provision our mortgage is now down to \$219,501.

The Finance Committee is pleased to announce that the Session has approved an aggressive pay down plan utilizing money in our savings toward the loan principal.

This plan as structured will leave a balance of approximately \$30,000 November, 2022.

Our desire is to have our loan paid by Thanksgiving of 2022 and enter 2023 debt free. We are very excited as we think about freeing up funds for new ministry opportunities.

We ask that you pray with us to reach a zero mortgage balance in 2022. To achieve this, would you consider a contribution of any size, either monthly, quarterly or annually, designated towards the mortgage principal to hasten us towards this goal?

Please join us and the Session and give thanks for God's provision for our church body over these two decades.

Thank you,

Jim Plybon
